SPANISH SHEPHERDS STRIKE!

SHEEP BREEDERS ALARMED
Saragosa, Spain, March 2.—Sheep
breeders near this city are greatly
disturbed by a strike of shepherds,
which, coming at the middle of the
lambing season, is viewed as serious.
Civil guards and local policemen have
been called out to take the places of
the strikers.PAIN GONE! RUB
SORE, RHEUMATIC
ACHING JOINTSRub pain away with a small trial
bottle of old "St.
Jacob's Oil."Stop "aching" Rheumatism.
It's pain only; not one case in fifty
requires internal treatment. Rub
soothing, penetrating "St. Jacob's Oil"
right on the "aching spot" and by
the time you say "ack Robinson"—out
comes the rheumatic pain and dis-
tress. "St. Jacob's Oil" is a harmless
rheumatism solvent which never dis-
appoints and doesn't burn the skin.
It takes pain, stiffness and stiffness
from aching joints, muscles and
bones; stone gravel, lumbago, back-
ache and neuritis.
Remember! Get a small trial bot-
tle of old-time, honest "St. Jacob's
Oil" from any drug store and in a
moment, you'll be free from pain,
aches and stiffness. Don't suffer!
Rub rheumatism away—adv.

See this picture—a drama of human emotions that
rise as high as the towering Alpine peaks of its
scenery—that sink as low as the abyss that waits
for one of these three. A photoplay which makes
you oblivious of time or place—something you can
not leave once it has started—a gripping piece of
photo-realism that holds you glued to your seat,
breathless till the last great moment—a picture
you'll never forget for its truth, beauty and flawless
acting. Don't let your friends say "You've missed
